Notice of the Department's decision to approve or deny will be forwarded to the applicant within thirty (30) calendar days from receipt of the application.

If the Department finds the application has not addressed all requirements, a written notice shall be provided detailing the requirements not met and providing opportunity for amendment to the application. After review, the Department will notify the course contact person of approval, disapproval, action, or changes of status regarding the course. [OAC 310:675-13-8(c)(2)]
