SPECIAL MEETING  
OKLAHOMA STATE CAPITOL  
OKLAHOMA CITY, OK  
GROUND FLOOR ROTUNDA  
MAY 13, 2024; 11:30 A.M.**

**AGENDA**

The Capitol Preservation Commission (CPC) members will attend the unveiling and installation of the Northwest panel of the “Labor Omnia Vincit” mural suite.

One of the newly commissioned artworks for the Oklahoma State Capitol Art Collection is this mural suite, painted by Lucas Simmons (Cherokee Nation), an artist based in Shawnee. It is displayed in the rotunda on the ground floor and is inspired by our state’s motto. The Northwest panel features a ranching theme, with several horses and riders and representation from the granite, healthcare, farming, military, and wildfire maintenance industries.

The event will occur on Monday, May 13, 2024, at 11:30 AM in the ground-floor rotunda of the Oklahoma State Capitol.
