**ORDER**

This matter comes before the Public Employees Relations Board upon the joint representation of both parties, the City of Enid and the American Federation of State, County and Municipal Employees, that they have reached an agreement regarding positions to be included in the appropriate bargaining unit.

The American Federation of State, County and Municipal Employees was certified as the exclusive bargaining representative for the public employees of the City of Enid on 13<sup>th</sup> day of July, 2006. At the time of the certification, the parties were in dispute about whether the position of "payroll accountant" on the City's list of employees was a "confidential employee" as that term is defined in the Municipal Employees Collective Bargaining Act, or whether that position should be included in the bargaining unit.

After discussion and negotiation the parties have come to agreement. The position of "Payroll Accountant" will be in the bargaining unit. The position of "Senior Accountant" will be a confidential employee as that term is defined in the Act and will not be in the bargaining unit.

THEREFORE, it is the Order of the Board, that the position of "Payroll Accountant" will be included in the bargaining unit; the position of "Senior Accountant" will be a confidential

employee as that term is defined in the Municipal Employees Collective Bargaining Act and will not be in the bargaining unit.
