## VISITOR PARKING PERMIT NOTICE FOR OKLAHOMA STATE UNIVERSITY

Enclosed is a one-day parking permit to be used on the Oklahoma State University Stillwater campus. This permit allows you to park in any surface **Staff (Blue** signage) parking space or in spaces designated as Overflow, a map is also enclosed.

### ALLOW EXTRA TIME:

The majority of the parking spaces across the street on Hall of Fame and Walnut are now for Residential Hall permits, and it is a ticketed violation for Visitor Parking Permit holders to park there. **Blue Staff** parking, on Hall of Fame and Walnut, is now limited to the first two rows on the very southwest side of the lot; the number of parking spaces is very limited and may not be available at all. Therefore, you will need to find another parking space, so allow yourself 10 minutes of extra time to park and walk to the Seretean Wellness Center.

### HANDICAPPED PARKING:

For those that have a handicapped placard, there are spaces on the east and west side of the Seretean Wellness Center, please display both the handicapped placard and the OSU Visitor Parking Permit.

### METERED PARKING:

There are parking meters on the east side of the Seretean Wellness Center. The cost is 50¢ per hour, and meters accept nickels, dimes and quarters for up to two hours. You will not need to use your Visitor Parking Permit to park in metered spaces

Thank you for your cooperation and as you know, ABLE Tech staff will not be able to “fix” a parking ticket.
