SUBJECT: 2010 Quality Oklahoma Team Day Awards - Projects and Winners

The Oklahoma Office of Personnel Management's Human Resource Development Services Department hosted the 18th annual Quality Oklahoma Team Day, "Winning Ways," on May 6, 2010.

This year a record number of projects were submitted, with 79 submissions from 15 agencies. Exhibit booths showcasing the projects were on display in the Capitol Rotundas and open to the public from 11:00 a.m. to 1:30 p.m. The day ended with an awards ceremony held in the House Chambers, where 55 Governor's commendations were presented, along with six specialty awards.

These remarkable projects embody the Quality Oklahoma tools and processes as well as showcase the ingenuity of outstanding agency teams and individuals. Some projects saved their agencies thousands of dollars or hundreds of man-hours. Reviewing the submissions may spark an idea for your agency!
