RE: EEO Job Category Listing for Merit System
Job Family Levels (November 1999)

Enclosed is a copy of the Job Category Listing. This document assigns EEO Categories to the Job Family Descriptors (JFD's) authorized by SB 464, the Classification and Compensation Reform Act of 1999, which goes into effect November 1, 1999. These EEO categories are for reference purposes and in some situations may vary according to the level of duties and responsibilities assigned to a certain position by an agency.

Questions may be directed to the Office of Personnel Management, Employment Relations Services, at (405) 521-2177.

EEO JOB CATEGORIES

This publication is a composite of Merit System job family levels listed by titles and EEO job categories; however, the categories provided are for reference purposes and may not be inclusive of all situations where duties and/or position utilization may vary. EEO job category definitions are also included. For any technical assistance you may contact the Office of Personnel Management Employment Relations Services Department at (405) 521-2177.

1. Officials and Administrators:

Occupations in which employees set broad policies, exercise overall responsibility for execution of these policies, or direct individual departments or special phases of the agency's operations, or provide specialized consultation on a regional, district, or area basis. Includes: department heads, bureau chiefs, division chiefs, directors, deputy directors, controllers, wardens, superintendents, sheriffs, police and fire chiefs and inspectors, examiners (bank, hearing, motor vehicle, warehouse), inspectors (construction, building, safety, rent and housing, fire, A.B.C. Board, license, dairy, livestock, transportation), assessors, tax appraisers and investigators, coroners, farm managers, and kindred workers.

2. Professionals:

Occupations which require specialized and theoretical knowledge which is usually acquired through college training or through work experience and other training which provides comparable knowledge. Includes: personnel and labor relations workers, social workers, doctors, psychologists, registered nurses, economists, dietitians, lawyers, systems analysts, accountants, engineer, employment and vocational rehabilitation counselors, teachers or instructors, police and fire captains and lieutenants, librarians, management analysts, airplane pilots and navigators, surveyors and mapping scientists, and kindred workers.

3. Technicians:

Occupations which require a combination of basic scientific or technical knowledge and manual skill which can be obtained through specialized post-secondary school education or through equivalent on-the-job training. Includes: computer programmers, drafters, survey and mapping technicians, licensed practical nurses, photographers, radio operators, technical illustrators, highway technicians, technicians (medical, dental, electronic, physical sciences), police and fire sergeants, inspectors (production or processing inspectors, testers and weighers), and kindred workers.

4. Protective Service Workers:

Occupations in which workers are entrusted with public safety, security, and protection from destructive forces. Includes: police patrol officers, fire fighters, guards, deputy sheriffs, bailiffs, correctional officers, detectives, marshals, harbor patrol officers, game and fish wardens, park rangers (except maintenance), and kindred workers.

5. Paraprofessionals:

Occupations in which workers perform some of the duties of a professional or technical in a supportive role, which usually require less formal training and/or experience normally required for professional or technical status. Such positions may fall within an identified pattern of staff development and promotion under a "New Career" concept. Includes: research assistants, medical aides, child support workers, policy auxiliary welfare service aides, recreation assistants, home-make aides, home health aids, library assistants and clerks, ambulance drivers and attendants, and kindred workers.

6. Administrative Support (Including Clerical and Sales):

Occupations in which workers are responsible for internal and external communication, recording and retrieval of data and/or information, and other paperwork required in an office. Includes: bookkeepers, messengers, clerk typists, stenographers, court transcribers, hearing reporters, statistical clerks, dispatchers, license distributors, payroll clerks, office machine and computer operators, telephone operators, legal assistants, sales workers, cashiers, tool collectors, and kindred workers.

7. Skilled Craft:

Occupations in which workers perform jobs which require special manual skills and a thorough and comprehensive knowledge of the processes involved in the work which is acquired through on-the-job training and experience or through apprenticeship or other formal training programs. Includes: mechanics and repairers, electricians, heavy equipment operators, stationary engineers, skilled machining occupations, carpenters, compositors and typesetters, power plant operators, water and sewage treatment plant operators, and kindred workers.

8. Service Maintenance:

Occupations in which workers perform duties which result in or contribute to the comfort, convenience, hygiene, or safety of the general public or which contribute to the upkeep and care of buildings, facilities, or grounds of public property. Workers in this group may operate machinery. Includes: chauffeurs, laundry and dry cleaning operatives, truck drivers, bus drivers, garage laborers, custodial employees, gardeners and grounds keepers, refuse collectors, construction laborers, park rangers (maintenance), farm workers (except managers), craft apprentices/trainees/helpers, and kindred workers.
