

INTERNET POINT-OF-SALE

An electronic point-of-sale licensing system

At last...sell hunting and fishing licenses via the computer! The new license system is now available to all license dealers. Easier for you, better for the sportsman, and it can even save you money!

"I love it. At first, it seemed like it would take longer but after doing it a few times it is much easier. I can't imagine going back to the old way."
Rhonda Short- Colbert Tag Agency
License Dealer since 2003

Take Advantage Now:

- No more license books to order and keep track of.
- No lost licenses to pay for.
- Time consuming paperwork is virtually eliminated.
- No more handwriting licenses.
- The program has been in place for over two years. Most sportsman's data is now available at your fingertips.
- Automatic error checking based on residency and age helps ensure that you sell the right license at the right price.
- License spells out privileges purchased and valid dates, allowing customer to easily verify they are getting the privileges they want and when those privileges expire.
- License is printed on regular 8.5" x 11" paper using a common black and white home/office printer.
- Sportsman information is stored in a database so all subsequent license purchases are quick and easy.
- Licenses issued on IPOS can be easily duplicated at any store that is using IPOS.

IPOS classes are scheduled for
January 10, 2007, April 11, 2007
July 11, 2007, and October 10, 2007
at 1:30 p.m.

If interested, please email your dealer number and store name to ipos@odwc.state.ok.us and we will send you a packet of information.
