OKLAHOMA'S WORKFORCE LEADER

System Information FY25

Executive Summary

VISION

Securing Oklahoma's future by developing a world-class workforce

MISSION

Preparing Oklahomans to succeed in the workplace, in education and in life

Goals

- **Educational attainment**

Provide Oklahomans with the skills and abilities needed to enter the workforce and postsecondary education.

- **Career awareness and planning**

Assure Oklahomans have the knowledge and skills to make informed career choices and be better equipped to enter the workforce.

- **Business/educational partnerships**

Collaborate with key business and educational partnerships to expand economic development and improve education experiences for students, including diverse perspectives and backgrounds.

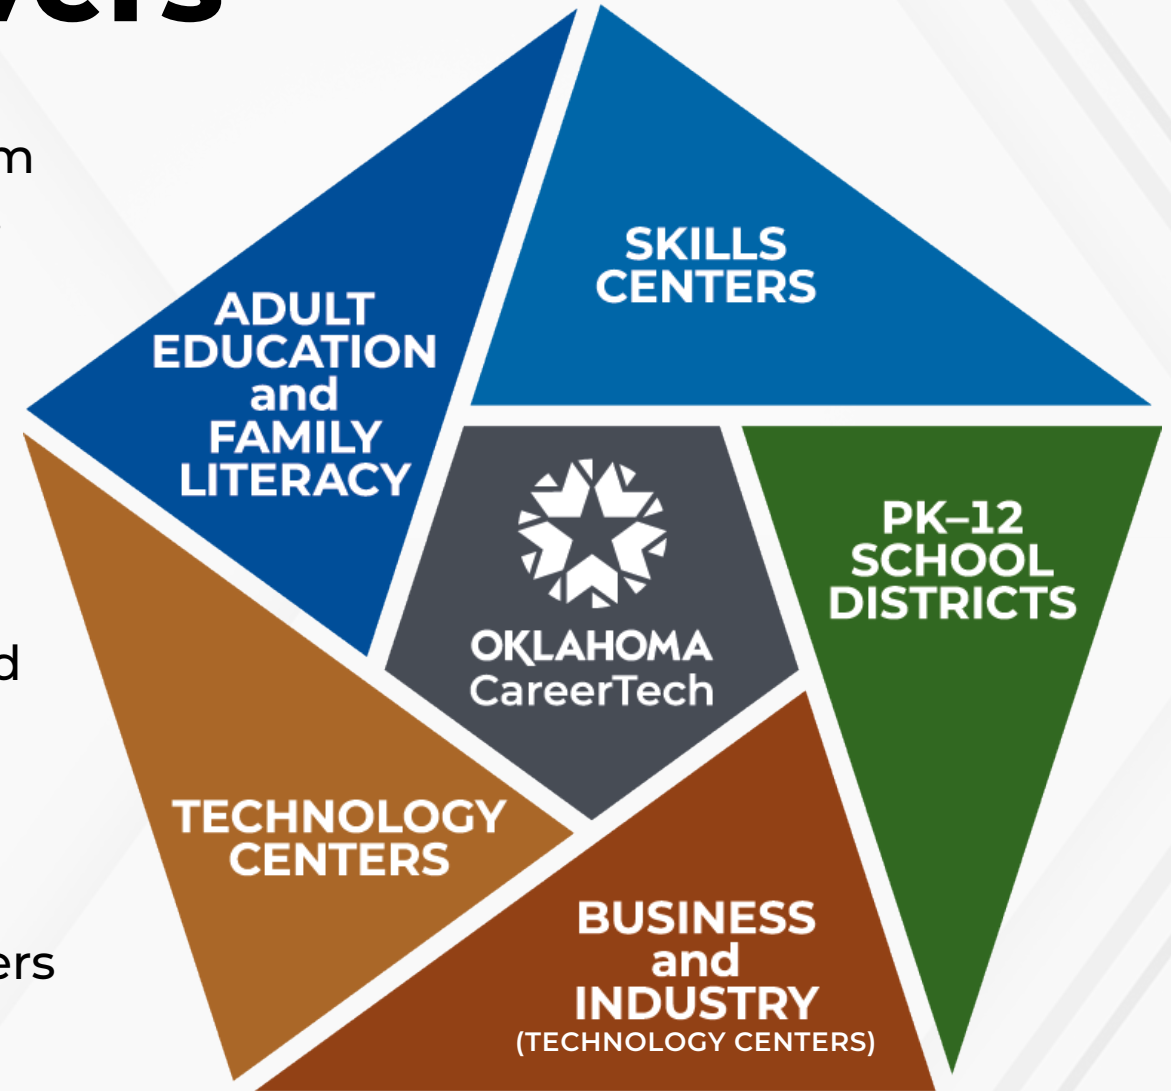

- **Agency operations and field support**

Ensure agency operations and services are effective and efficient in meeting stakeholders' needs and secure resources to maximize our mission.

CareerTech Delivers

- One of the strengths of the CareerTech System is its accessibility to almost every Oklahoman.
- CareerTech offerings in **394** PK-12 school districts and **1,574** teachers
- **29** technology center districts with **62** campuses and **1,214** teachers
- Business and industry training attracts new industry and helps existing businesses expand and prosper with **8,532** companies served
- **20** skills center sites for inmates and juvenile offenders with **40** teachers
- **49** adult education and family literacy providers at **125** sites
