

**TITLE 780. OKLAHOMA DEPARTMENT OF CAREER AND
TECHNOLOGY EDUCATION
CHAPTER 10. ADMINISTRATION AND SUPERVISION**

RULE IMPACT STATEMENT

Subchapter 3. State Technical Assistance, Supervision, and Services
780:10-3-3. [AMENDED]

A. Brief description of the purpose of the proposed rule.

The purpose of the proposed rule amendment to Subchapter 3 is to clarify the entity that sets pricing for student guides and assessments, outlines the process for orders, correct contacts, and credits. The proposed rule amendment also updates return policy for on demand print materials.

B. Description of the classes of persons who most likely will be affected by the proposed rule, including classes that will bear the costs of the proposed rule, and any information on cost impacts received by the agency from any private or public entities.

Customers of the Oklahoma Department of Career and Technology Education Testing Division and/or the Printing, Distribution and Client Services Division will be affected by the proposed rule amendments. There are potential cost impacts based on shipping and handling rate changes.

C. Description of the classes of persons who will benefit from the proposed rule.

There is no benefit to any class of persons because of the proposed rule amendments.

D. A description of the probable economic impact of the proposed rule upon affected classes of persons or political subdivisions, including a listing of all fee changes and, whenever possible, a separate justification for each fee change.

There are potential economic impacts based on shipping and handling rate changes.

- E. Probable costs and benefits to the agency and to any other agency of the implementation and enforcement of the proposed rule, the source of revenue to be used for implementation and enforcement of the proposed rule, and any anticipated effect on state revenues, including a projected net loss or gain in such revenues if it can be projected by the agency.**

The proposed rule amendments potentially benefit the agency by allowing adjustments based on shipping, handling, and inflation rates.

- F. Determination of whether implementation of the proposed rule will have an economic impact on any political subdivisions or require their cooperation in implementing or enforcing the rule.**

There is no economic impact to any political subdivision, unless they are customers of the Testing Division and/or the Printing, Distribution and Client Services Division, nor does it require cooperation in implementing or enforcing the rule.

- G. Determination of whether implementation of the proposed rule will have an adverse economic effect on small business as provided by the Oklahoma Small Business Regulatory Flexibility Act.**

There is no adverse economic impact on small business because of the proposed rule amendments.

- H. Explanation of the measures the agency has taken to minimize compliance costs and a determination of whether there are less costly or non-regulatory methods or less intrusive methods for achieving the purpose of the proposed rule.**

The rule amendments in this Chapter are not intrusive and there are no other appropriate methods to make the needed corrections and improvements.

- I. Determination of the effect of the proposed rule on the public health, safety and environment and, if the proposed rule is designated to reduce significant risks to the public health, safety, and environment, and explanation of the nature of the risk and to what extent the proposed rule will reduce that risk.**

The proposed rule amendments have no effect on the public health, safety, and environment.

J. Determination of any detrimental effect on the public health, safety and environment if the proposed rule is not implemented.

The proposed rule amendments will not have a detrimental effect on the public health, safety and environment if not implemented.

K. Date the rule impact statement was prepared and if modified, the date modified.
