

**TITLE 780. OKLAHOMA DEPARTMENT OF CAREER AND
TECHNOLOGY EDUCATION
CHAPTER 20. PROGRAMS AND SERVICES**

RULE IMPACT STATEMENT

Subchapter 3. Secondary, Full-Time and Short-Term Adult CareerTech Programs
780:20-3-2. [AMENDED]
790:20-3-4. [AMENDED]

A. Brief description of the purpose of the proposed rule.

The purpose of the proposed rule amendments to Subchapter 3 is to clarify the organization, structure, and program requirements of programs and services provided by CareerTech. The proposed rule amendments clarify approved Family and Consumer Sciences teacher contracts and approved classes, modify the requirements for Science Technology Engineering and Mathematics (STEM) programs to allow more students to participate in such programs, clarify which student organization BMITE programs align with as well as the minimum requirements associated with the student organization, clarify the organization and structure of health career education programs. And define adjunct teacher requirements for K-12 programs.

B. Description of the classes of persons who most likely will be affected by the proposed rule, including classes that will bear the costs of the proposed rule, and any information on cost impacts received by the agency from any private or public entities.

Instructors and students in Career and Technology Education programs will be affected by the proposed rule amendments. There are no cost impacts of the proposed rules.

C. Description of the classes of persons who will benefit from the proposed rule.

The Career and Technology Education students and instructors benefit from the proposed rule amendments by better understanding the organizational structure and options for program offerings.

D. A description of the probable economic impact of the proposed rule upon affected classes of persons or political subdivisions, including a listing of all fee changes and, whenever possible, a separate justification for each fee change.

There is no economic impact on any class of persons because of the proposed rule amendments.

- E. Probable costs and benefits to the agency and to any other agency of the implementation and enforcement of the proposed rule, the source of revenue to be used for implementation and enforcement of the proposed rule, and any anticipated effect on state revenues, including a projected net loss or gain in such revenues if it can be projected by the agency.**

There is no cost to the agency or other entities because of the proposed rule amendments.

- F. Determination of whether implementation of the proposed rule will have an economic impact on any political subdivisions or require their cooperation in implementing or enforcing the rule.**

There is no economic impact to any political subdivision, nor does it require cooperation in implementing or enforcing the proposed rule amendments.

- G. Determination of whether implementation of the proposed rule will have an adverse economic effect on small business as provided by the Oklahoma Small Business Regulatory Flexibility Act.**

There is no adverse economic impact on small business as a result of the proposed rule amendments.

- H. Explanation of the measures the agency has taken to minimize compliance costs and a determination of whether there are less costly or non-regulatory methods or less intrusive methods for achieving the purpose of the proposed rule.**

The proposed rule amendments in this chapter are not intrusive and there are no other appropriate methods to make the needed corrections and improvements.

- I. Determination of the effect of the proposed rule on the public health, safety and environment and, if the proposed rule is designated to reduce significant risks to the public health, safety, and environment, and explanation of the nature of the risk and to what extent the proposed rule will reduce that risk.**

The proposed rule amendments have no effect on the public health, safety, and environment.

J. Determination of any detrimental effect on the public health, safety and environment if the proposed rule is not implemented.

The proposed rule amendments will not have a detrimental effect on the public health, safety and environment if not implemented.

K. Date the rule impact statement was prepared and if modified, the date modified.

Prepared: December 19, 2023.
