The Oklahoma FFA Foundation, Inc., is a nonprofit organization for the purpose of giving financial support to the educational activities of members and chapters. It accepts financial support to assist with program development, special projects, leadership materials, awards, and scholarships as an incentive program for every agricultural education student in Oklahoma.

It has a board of directors made up of representatives from the business and agricultural community, agricultural education teachers, current and past state FFA officers, university agricultural education teacher training departments, FFA Alumni Organization, and state agricultural education and career and technology staff members.

The books are audited each year by a certified public accountant, and a published report of expenditures and income along with all FFA award recipients is provided to the donors.

STATE ADVISOR
Scott Nemecek

**STATE EXECUTIVE
SECRETARY**
Trevor Lucas

If you need an officer for a local function, please try to contact the officer directly. If unsuccessful, call Trevor Lucas at the state office. **It is customary to pay an officer's expenses both ways (45¢ per mile), using mileage from the official State Highway Department map.**

FFA is the national organization of, by, and for students of agricultural education. Since its founding in 1928, the National FFA Organization has been an important part of the public school program of agricultural education.

The FFA is an essential teaching tool for the practical application of technical skills and lessons in leadership, cooperation, and citizenship, all vital to successful employment in modern agriculture. Today, the FFA provides learning and personal development opportunities for more than 610,000 young people by challenging them with a program of leadership activities and incentive awards designed to complement and strengthen the instructional program in agriculture.

Through its activities, the FFA encourages entrepreneurship, helps make better employees, and develops responsible citizens by preparing them to accept leadership roles in agriculture.

The primary aim of the Oklahoma FFA Alumni Association is to provide a strong, efficient, statewide organization to promote, serve, and support Agricultural Education — FFA.

Oklahoma alumni members provide leadership activities and incentives for FFA members such as the annual Alumni Leadership Camps, scholarships for state officers, state speech contest, leadership workshops for members, Future Ag Ed Teacher Academy, and buses to the Washington Leadership Conference.

agricultural education teachers association, incorporated**ELECTION SCHEDULE OF OAETA OFFICERS**

Oklahoma Summit	Area Vice Presidents and one- and two-year Directors (To be selected by each area.)
	President-Elect, Secretary, and Treasurer (To be voted on by total membership.)
May-June Area Meeting	President-Elect, Secretary, and Treasurer (Candidates for these offices to be elected by area based on a rotation system. Names will then be submitted to total membership at the following Oklahoma Summit.)

At the 1981 Summer Conference, the OAETA membership voted to elect the secretary and treasurer on a similar rotation as the president-elect. They also voted that these officers meet the same qualifications as the president-elect. It is recommended that each area have a president in each five-year period.

SPECIAL NOTE

The OAETA Bylaws stipulate that the nominee for president-elect must have served at least one year on the Executive Committee within the past five years. (Your Summer Conference vote indicated that the secretary and treasurer would need to meet this same requirement.)

My Creed

I am an agricultural educator by choice and not by chance.

I believe in American agriculture; I dedicate my life to its development and the advancement of its people.

I will strive to set before my students, by my deeds and actions, the highest standards of citizenship for the community, state, and nation.

I will endeavor to develop professionally through study, travel, and exploration.

I will not knowingly wrong my fellow teachers; I will defend them as far as honesty will permit.

I will work for the advancement of agricultural education, and I will defend it in my community, state, and nation.

I realize that I am a part of the public school system. I will work in harmony with school authorities and other teachers of the school.

My love for youth will spur me on to impart something from my life that will help make for each of my students a full and happy future.
