Scholarship Questionnaire

Please answer the following four (4) questions and submit with your scholarship application.

1. Discuss how your interest in your field or major has developed and describe your experience in the field –such as volunteer work through Business Professionals of America – and what you have gained from that involvement.

2. How will your field of study promote the mission of Business Professionals of America and contribute to your immediate or long-range career plans?

3. Describe how you have demonstrated leadership ability both in and out of school. (BPA membership and leadership involvement preferred.)

4. This scholarship was created to honor a person who dedicated their life and promoted the mission of Oklahoma Business Professionals of America. Describe your involvement with your local chapter and how your involvement has promoted the mission of Oklahoma Business Professionals of America.
