Requirements Needed For Successful Graduation

A student's ICAP will include the activities below plus additional district requirements, if applicable.

- **Career Assessments -** Students will complete an online career assessment every year to explore their career interests, learn career skills and begin connecting their interests to careers.
- **Goals -** Students will update their career and postsecondary goals every year as they learn about new opportunities.
- **College and Career Assessments -** Students will update their required state and federal assessments (English language arts, mathematics, and science) and college and career readiness assessment (ACT or SAT) results as they become available.
- **Academic Progress -** Students will annually update their academic courses and progress in those courses. Students will also list any career technology programs, AP or IB courses, concurrent enrollment courses or career endorsements that reflect progress toward their individual career pathways.
- **Work – Based Learning -** Students will complete at least one service learning or work environment activity, before high school graduation.
