So	choc	ol Safety Plan Checklist
Pı	eve	ntion Measures:
	1.	Establish a multidisciplinary school safety team that includes administrators,
		teachers, school psychologists, counselors, and community members.
	2.	Conduct comprehensive assessments of the school environment to identify potential safety hazards and vulnerabilities.
	3.	Implement evidence-based bullying prevention programs and strategies.
	4.	op Provide training for staff and students on recognizing and reporting
		concerning behaviors, including signs of potential violence or self-harm.
	5.	Develop and promote a positive school climate that emphasizes inclusivity, respect, and empathy.
	6.	Establish clear policies and procedures for responding to threats, harassment, and other safety concerns.
	7.	Foster strong relationships between school staff and students to promote
		trust and communication.
	8.	Provide mental health supports and interventions for students who may be experiencing trauma or other challenges.
	9.	Implement proactive measures to address substance abuse and promote healthy decision-making among students.
	10	Establish partnerships with law enforcement, mental health professionals, and community organizations to enhance school safety efforts.
M	itig	ation Strategies:
	1.	Develop and regularly review crisis response and emergency management plans that address various scenarios, including natural disasters, medical emergencies, and acts of violence.
	2.	Conduct regular safety drills and exercises to ensure that staff and students
		are prepared to respond effectively to emergencies.
	3.	Provide training for staff on crisis intervention techniques, including de-
		escalation strategies and trauma-informed care.
	4.	Establish protocols for communication and coordination with emergency responders during a crisis.

	Ensure that all school facilities are equipped with necessary safety equipment
	and supplies, such as first aid kits and emergency communication devices.
6.	Implement procedures for reunification of students with families following a crisis or emergency evacuation.
7.	Develop a system for monitoring and addressing potential safety threats, including cyberbullying and online harassment.
8.	Provide ongoing professional development opportunities for staff to enhance their knowledge and skills related to school safety and crisis response.
9.	$\Box$ Conduct regular assessments of the effectiveness of school safety measures
10	and update plans as needed based on feedback and lessons learned.  Promote a culture of safety and vigilance among staff, students, and families, encouraging everyone to take an active role in maintaining a secure school environment.
