**Overview**

In an ongoing effort to support the recruitment and retention of CTE teachers, the Oklahoma Department of Career and Technology Education supports the development of new innovative strategies, and the enhancement of existing strategies to recruit and retain Oklahoma’s CTE instructors. The strategies developed with these funds should support a culture of continuous improvement that engages the whole school community in using data to identify problems and develop plans to solve them. A tool, like strong school culture, is important to the recruitment and retention of CTE instructors in areas that meet local and state workforce needs. It is also important to embrace innovative methods to support CTE instructors through rigorous professional development, continuing education, and other strategies. **Perkins LEAs or consortia meeting the \$15,000 requirement, technology centers, or technology center coops, and postsecondary institutions or consortia meeting the \$50,000 requirement are eligible to complete the grant application. Successful applicants will receive two-year innovation funding up to \$20,000.00 for the first year of funding and up to \$20,000.00 for the second year of funding.** Funding for year two is contingent upon applicants showing progress towards goals.

### **Eligible applicants**

Eligible applicants who successfully complete the Perkins application under the current Perkins V Act are invited to participate in the Innovation Fund Grants process by:

- Meeting the criteria designated in the Local Application for Perkins Funding, including the Comprehensive Local Needs Assessment.
- Meeting the criteria in the Overview section for the desired Innovation Fund Grant,
- Successfully completing the Innovation Fund Grant Application, and
- Documenting the human, financial, and time commitment required to meet the intent of the focused grant.
