Oklahoma Nurse Refresher Course

Are you an LPN or RN in need of an update in the world of professional nursing? The OU College of Nursing and participating technology centers in Oklahoma's Career Tech system are accepting enrollments for the Nurse Refresher course. **Nurse Refresher Course Facts:**

- Meets requirements of the Oklahoma Board of Nursing as an approved Nurse Refresher course.
- Operates as a self-paced, online nursing review with instructor support and faculty supervision for all lab skills and clinical rotation.
- The OU didactic program now utilizes a competency-based model allowing students to test first on a module, then remediate the content only if they do not pass the test: https://nursing.ouhsc.edu/programs-academics/nurse-refresher-course
- If the Board of Nursing advises the student to only complete the didactic portion, please contact OU College of Nursing: ***Nurse-Refresher-Course@ou.edu***
- Total course cost: $2,000 (non-refundable); didactic only: $600 (non-refundable).
- Total Course enrollment information (Didactic and Clinical/Lab):

Autry Tech: Enid **Misinale Mateaki** 580-242-2750 x212 or mmateaki@autrytech.edu

- The clinical component at the Technology Center includes a nursing skills checkoff lab and virtual or in-person clinical simulation, depending on the school.
- Should additional time be needed for more clinical experience to prove competency, the student will be charged additional fees.

This course is recommended for the following people:

- Applicants for registered nurse or practical nurse licensure by endorsement, reinstatement, or return to active status who need to complete a Nurse Refresher Course to meet Board of Nursing requirements.
- Graduates of state accredited nursing programs who have not taken and/or passed the NCLEX within two years of completion of their nursing education program.
- Nurses who hold a current license, but who have been before the Board for disciplinary action. *(Must present a copy of their Board order).*
- Currently licensed Oklahoma nurses who would like an update of nursing knowledge are welcome in this course.

This course was developed as a partnership between the University of Oklahoma, College of Nursing and participating technology centers in Oklahoma's CareerTech system. Both the University of Oklahoma and the CareerTech system provide equal opportunities
