- There are tabs within screens in CTIMS. Look for these tabs to view a different screen or more information. For example, within the Invoice Process, on the EDI Grand Fund Invoices List screen, there are two tabs: *Grant Worksheet/Agreement/Invoice List* and *Manage Grant Invoices*. You can flip between the two tabs within this screen.
- Many sections in CTIMS can be expanded to view more detailed information by clicking on the arrow next to the section header or line (row).
- On your keyboard, hold down the **Ctrl** key and tap on the **+** or **–** keys to zoom in or out.
- Use the save icon to download a pdf, then you can save it to your computer or print the pdf.
- You can only have 10 tabs open at one time. To close tabs, click on the ***X*** on the right side of the tab you wish to close, then confirm that you would like to close by clicking **OK** on the confirmation screen.

Where's my Worksheet, Agreement, or Invoice in the approval process?

To find out what approval stage your worksheet, agreement or invoice is in, you can take the following steps:

Worksheets/Agreements

- On the navigation on the left, go to *Grants > Grant Process > EDI Process* then click on **EDI Manage Grant Worksheets/Agreements/Invoice/Follow-up.**
- Complete the *EDI Grant Fund Worksheets List* form and click **Search**.
- The list of worksheets/agreements will populate. In the Agreement Approval Current State column, you can see at which stage the worksheet/agreement is currently in.
- You can also click on the black arrow on the left, on the worksheet row to view the worksheet and agreement summaries. This includes approval/rejection notes for each approval stage.

NOTE: If the worksheet is still in the *New Draft* stage, the approval summary will be blank.

Invoices

- On the navigation on the left, go to *Grants > Grant Process > EDI Process* then click on **EDI Invoice Process**.
- Complete the EDI Grant Fund Invoices List form and click Search.
- There are 2 tabs: Grant Worksheet/Agreement/Invoice List and Manage Grant Invoices. Click on the Manage Grant Invoices tab.

- Or you can click on the black arrow on the left, on the invoice row to view the Invoice Approval Summary. This includes approval/rejection notes.

Where are the Funds?

- If you have created a new invoice and added a dollar amount to a line item, that amount will be subtracted from your balance on the dashboard. This includes a draft of an invoice that has not been submitted for approval.
- If $0.00 are available in a line item to invoice, the line item will not appear on a new invoice.

Releasing Unused Funds

If a project has completed and not all funds are used, you can release the funds to be used for another project.

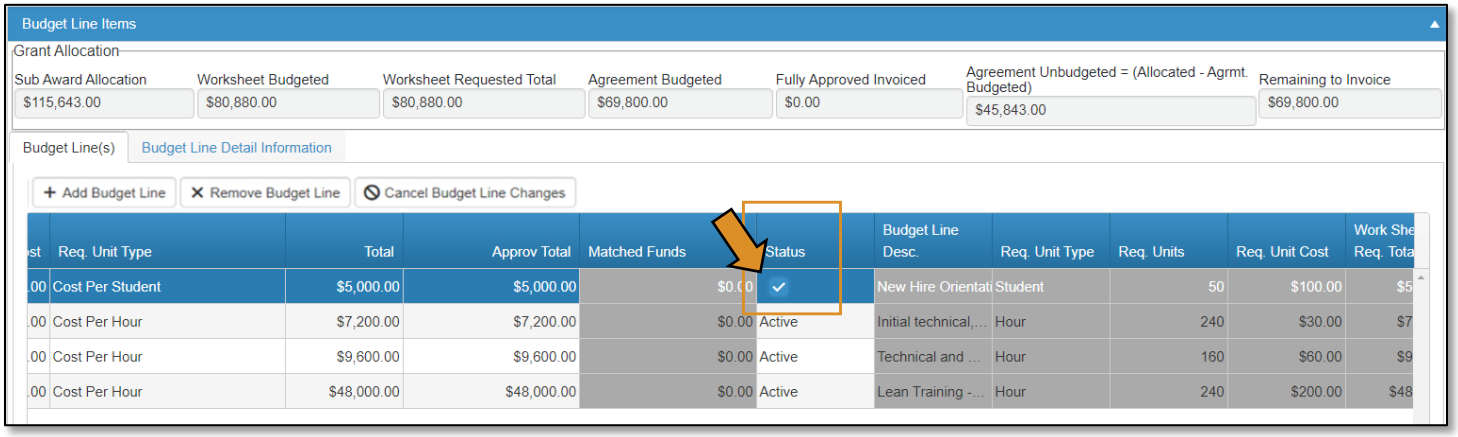
Releasing Funds to be used for the Same Program Type

For example, you can release funds for a fire fighter program to be used for another fire fighter program training project.

- In the Agreement, you will do a budget adjustment. Once the budget adjustment is fully approved, the funds will be released, and you can begin a new Worksheet for the new training. Click here for instructions on completing the budget adjustment process.

If you have a line item that has not been used and need to release the funds to be used for another project, you will make that line item inactive:

- To make a budget line item inactive, click inside the field under the Status column to check the box.
- Check the box, then **Save as Draft**.
- Make sure the line is inactive, then click **Submit for Approval**.
- Go back into the Agreement and click **Approval Process**.
- **Add a note explaining changes made.**
- Click **Approve**.
- On the pop-up screen, click **OK**.
- Verify the submission by clicking **OK**.
- To inactivate a budget line, scroll to the right, click the box to uncheck it in the **Status** column.
- **Save as Draft**.



The request has been successfully submitted and will go to the **EDI – Local BIS Director**.
