Rebecca Foster, Assistant Superintendent/COO  
Mid-Del Technology Center  
1621 Maple Drive  
Midwest City, OK 73110-4825

Dear Ms. Foster:

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Mid-Del Technology Center School for the 2022-2023 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Mid-Del campus.

The Oklahoma State Board of Career and Technology Education approved Mid-Del Technology Center for continued full postsecondary accreditation on March 29, 2018. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for October 25-27, 2022. Please call me at (405) 743-5575 if you have any questions or if I can be of assistance.

Thank you for your commitment to providing quality career and technology education.

Sincerely,
