

OKLAHOMA DEPARTMENT OF CAREER
AND TECHNOLOGY EDUCATION

July 30, 2025

Tammie Strobel, Superintendent
Tri County Technology Center
6101 S.E. Nowata Road
Bartlesville, OK 74006-6029

Dear Dr. Strobel:

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Tri County Technology Center School District No. 1 for the 2025-2026 school year. The purpose of this letter is to show annual approval of institutional accreditation. This list indicates program approval for the Bartlesville campus and has been updated to include the early implementation on July 1, 2025, by the OK Cosmetology Board of new program hours.

The goal of accreditation is to ensure that institutions of higher education meet acceptable levels of quality. Funding approval is contingent upon meeting quality standards or making satisfactory progress toward meeting those standards.

The Oklahoma State Board of Career and Technology Education approved Tri County Technology Center for continued full postsecondary accreditation on April 17, 2025. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation will be 2029-2030. Please call me at (405) 743-5575 if you have any questions or if I can be of assistance.

Thank you for your commitment to providing quality career and technology education.

Sincerely,

Joey Vanek
Accreditation Manager
