

OKLAHOMA DEPARTMENT OF CAREER  
AND TECHNOLOGY EDUCATION

August 17, 2022

Steve Tiger, Superintendent  
Tulsa Technology Center School District  
P.O. Box 477200  
Tulsa, OK 74147-7200

Dear Dr. Tiger:

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Tulsa Technology Center School District No. 18 for the 2022-2023 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Broken Arrow, Lemley, Owasso, Peoria, Riverside, and Sand Springs campuses.

The Oklahoma State Board of Career and Technology Education approved Tulsa Technology Center for continued full postsecondary accreditation on May 17, 2018. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for October 3-7, 2022. Please call me at (405) 743-5575 if you have any questions or if I can be of assistance.

Thank you for your commitment to providing quality career and technology education.

Sincerely,

A handwritten signature in black ink that reads "Jessica Ventris".

Jessica Ventris  
Accreditation Manager

cc: Frankie Adair, Financial Aid Administrator  
Barbara Hagy, Instructional Services Director  
Kerry Sitton, Instructional Services Director  
Chris Johnson, Student Services Director  
Dr. Scott Williams, Associate Superintendent of Instruction  
Sandra McKnight, ODCTE Financial Aid Specialist
