Dear Ms. Corning:

You are receiving this **UPDATED** letter and list due to the early implementation of program hour changes from the Oklahoma State Board of Cosmetology and Barbering. These changes were originally not scheduled to go into effect until later this year but have since been implemented as of **July 1, 2025**. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR).

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Western Technology Center School District No. 12 for the 2025-2026 school year. This list indicates the programs approved for the Burns Flat and Sayre campuses, Elk City and Weatherford sites with the Cosmetology program updates included.

Thank you for your commitment to providing quality career and technology education.

Sincerely,

Joey Vanek
