<b>Inventory of Partnership Assessment Worksheets:</b> This is a collective document of all the stakeholder Partnership Assessment Worksheets identifying what is being done in each agency in regards to obesity prevention for young children.	 Inventory of Partnership Assessment Worksheets
<b>Executive Summary:</b> This summary describes the background and aims of the project, as well as illustrates the process and findings thus far. It then explains what is occurring in Oklahoma and where the ECE obesity prevention focus should be.	 Executive Summary_5-11.pdf
<b>State Action Plan Report:</b> This is a 5-page report of 19 ideas compiled from stakeholders that attended the State Action Plan Meeting with prioritized areas of focus and descriptions for each. This document also provides links for additional information, as well as recommendations for the future and resources to meet ECE obesity prevention best practices.	 State Action Plan Report_5-11.pdf
<b>Additional Information:</b> This document contains additional information about the curricula, resources, programs, projects and initiatives described within the Partnership Assessment Worksheets.	 Additional Information_5-11.pdf
<b>Stakeholder Directory:</b> The stakeholder directory lists the people's names, agency, job title, and contact information of the individuals that have been invested in this project. This was created to foster easier communication among stakeholders. <b>**This only includes the names of individuals who participated in this project</b>	 Stakeholder Directory_5-11.pdf
