

Commercial Driver's License (CDL) Clearinghouse Consent Form

I, _____, hereby provide consent to the Oklahoma Department of Corrections (ODOC) to conduct annual queries of the Federal Motor Carrier Safety Administration (FMCSA) Commercial Driver's License Drug and Alcohol Clearinghouse (Clearinghouse) for the duration of my employment with ODOC. FMCSA Clearinghouse is an online database where drug and alcohol testing violations and return-to-duty information will be stored and searched. Employers are required to make annual queries pursuant to 49 CFR § 382.701 of all employees required to use a CDL to determine whether drug and alcohol violation information exists in the Clearinghouse.

I understand that if I refuse to provide consent for the ODOC to conduct a query of the Clearinghouse, the ODOC will prohibit me from performing safety-sensitive functions, including driving a commercial motor vehicle, as required by FMCSA's drug and alcohol regulations. I further understand that I may be disciplined up to and including termination for refusal to provide consent for the ODOC to conduct a query of the Clearinghouse as required.

I have read and understood the consent form.
