

COMMON FLAMMABLE, TOXIC, AND CAUSTIC SUBSTANCES

Class I Liquids

Gasoline
Benzine (Petroleum ether)
Acetone
Hexane
Lacquer
Lacquer thinner
Denatured alcohol
Ethyl alcohol
Xylene (Xylolo)
Contact cement (flammable)
Toludi (Toluene)
Methyl ethyl ether
Methyl ethyl ketone
Naphtha Y, M, and P

Class II Liquids

Diesel fuel
Motor oil
Kerosene
Cleaning solvents
Mineral spirits
Agitene

Class III Liquids

Paints (oil base)
Linseed oil
Mineral oil
Neatsfoot oil
Sunray conditioner
Guardian fluid

Toxic Substances

Ammonia
Chlorine
Antifreeze
Duplicating fluid
Methyl alcohol (Wood alcohol or Methanol)
Defoliants
Herbicides
Pesticides
Rodenticides

Caustic Substances

Lye
Muriatic acid
Caustic soda
Sulfuric acid
Tannic acid
