

Oklahoma Department of Corrections

Volunteer Services

You can make a difference. Serving as a volunteer with the Oklahoma Department of Corrections will provide you with an opportunity to impact the lives of those incarcerated, their families, and our state as a whole.

The vision and mission of the Oklahoma Department of Corrections can be summed up in the phrase we have adopted as vision statement: ***WE CHANGE LIVES***. Volunteers play an essential role in our efforts to achieve this mission. Oklahoma DOC Volunteers change lives in many different ways, including by:

- *Making possible services & programs that provide offenders the opportunities to change their way of life*
- *Reducing recidivism (the number of offenders committing new crimes or violations after release) and therefore contributing to safer communities*
- *Playing a vital role in reentry efforts*
- *Providing much needed support for other agency operations.*

As a volunteer you may serve in many different settings, including:

- *State Operated & Private Prisons*
- *Community Corrections Centers*
- *Probation & Parole Offices*
- *Administrative Offices*
- *Reentry Programs & Services Within the Community*

Volunteers also serve in a multitude of ways, such as:

- *Religious Services*
- *Faith-Based Programs*
- *Non-Faith-Based Programs*
- *Recovery Support Groups*
- *Family & Relationship Skill Building*
- *Tutors*
- *Recreational Activities*
- *Arts and Crafts*
- *Student Internship*
- *Administrative Assistance*
- *Mentoring*

The Inmate Programs that Volunteers can be trained to facilitate include:

- *Character First*
- *Victim Impact*
- *Anger Management*
- *Parenting*
- *TCU Brief Interventions that address peer relationships, motivation to change, and communication*

How Do I Become an Oklahoma Department of Corrections Volunteer?

Three Easy Steps:

1. If you are signing up to serve with an existing volunteer group or program, you can skip to step two. Otherwise, decide where you wish to serve and contact that facility's Chaplain/Volunteer Coordinator. They will provide you with information regarding their needs and opportunities. Here is a link to our webpage with more information about our facilities:
<https://oklahoma.gov/doc/facilities.html> . Once a volunteer activity, time and location is determined, the Chaplain/Volunteer Coordinator will ensure that activity is listed in our volunteer data system.
2. Register/Sign up online for the volunteer activity through our agency's website – [Oklahoma.gov/doc](https://oklahoma.gov/doc) and select Volunteer, or use this link to the webpage:
https://ec.samaritan.com/custom/1481/volunteer_home
3. Once your registration/application is approved you will be scheduled for the next available volunteer training session in your area. Upon completion of the volunteer training, you will be added to the agency's Master Volunteer List. The facility Chaplain/Volunteer Coordinator will place you with the volunteer activity at their facility and you can begin serving.
