When duty demands comfort and professional appearance, the Propper® EdgeTec Long Sleeve Polo delivers exceptional performance in any environment. Its premium snag-resistant polyester blend with spandex provides stretch comfort while actively reducing body heat and wicking moisture away from your body. Purpose-built with tactical features like mic clip slots and pen pockets, this polo combines a classic fit with flatlock seams for unrestricted movement during extended wear. An updated alternative to the ICE Polo, the EdgeTec maintains a professional appearance while providing the functional durability you need.
