

## Promote Public Trust

- Create an annual report that makes public the metrics of the agency and the value added to the state of Oklahoma. *December 2025*

Create a uniform policy with clear criteria for making a complaint or investigation public prior to final resolution of the case. *April 2025*

- Create an advisory group for the OEC for strategic advice, routine feedback and recommendations to the Commission. Seek volunteers to include candidates, officeholders, state officers and/or state employees willing to serve as part of a 2-year term for quarterly meetings to address concerns and needs of OEC. Result of improved satisfaction and effectiveness of OEC. *October 2025*

## Operational Efficiencies

- Implement a case management system to allow for the tracking of agency resources and outcomes. *May 2026*
- Develop a schedule for reviewing campaign finance filings to ensure that every filing is reviewed for inconsistencies as it is received. This may require reducing the frequency of filings. Create a risk-based audit schedule that examines winning campaigns most frequently but also audits a random selection of other campaigns. *October 2025*
- Implement Guardian System 2.0 *July 2025*
- Establish full scale Diversion Program after pilot program's conclusion. Will reduce compliance fees/fines and create a proactive approach to compliance. First-time offenders and other broad categories will be prioritized, and the ability to utilize new software reporting system for automated notification (rather than offline creation of program) will assist in full-scale implementation. Maintain records of completion for diversion program and establish data points to determine effectiveness. *December 2025*

## Detect and Deter (Education and Compliance)

- Develop Strategy and Inclusion of Political Subdivisions for Enforcement and Education beginning Fall 2025. OEC will prioritize, assess and support key regional and local contacts for staggered implementation plan. 100% inclusion over 1–3-year staggered period with compliance reporting percentages to improve annually. *October 2025*
- Increase training offerings and educational guidance, also included on the agency's public-facing website *Spring 2026*
  - Recorded training presentations
  - A list of frequently asked questions and answers
  - A list of the agency's prior responses to requests for informal guidance
  - A schedule of in-person trainings
