

Oklahoma Ethics Commission

2025 Special Election- House District 74: State Candidate Committee Reporting Calendar

- A Statement of Organization (“SO”) is required to be filed with the Ethics Commission within 10 days of spending or receiving in excess of \$1,000. The first report of contributions and expenditures is due during the “Reports Due Between” dates that cover the date when the SO was filed or should have been filed, whichever is earliest. If an SO is filed late or not approved before the end of the “period covered,” the committee must contact the Commission at 405-521-3451 or ethics@ethics.ok.gov to have missing reports added to the account.
- Mandatory dissolution dates are found at the bottom of this schedule.

DIRECTIONS: Committees that file or are required to file an SO must follow the quarterly reporting schedule until 2 weeks before the primary election at which time “Election Cycle Reporting” begins. After the election cycle reporting ends, committees follow the quarterly reporting schedule unless a report is filed with the “**final report**” checkbox marked and the committee has dissolved.
