- IV. Review of previous meeting summary-** The second quarter CQI meeting was held on April 13, 2021 via Microsoft Teams and was called to order at 10:00 am by Eddie Sims. There were 14 members present. Jamie Lee announced OSDH staff continue to work from home. She also announced the departure of the Trauma Systems Coordinator, Dan Whipple, from OSDH. Ten cases were reviewed by the group. There were 10 letters to be authored, four of those require responses, and six were good job letters. The number of cases presented for possible good jobs sparked a conversation regarding the criteria to be considered a good job. Currently transfers less than 60 minutes meet this criterion. It was decided by the committee to monitor the number of possible good job cases presented to identify any trends that would indicate a need to decrease the benchmark. The group also reviewed seven responses to CQI letters. All of those were accepted by the committee as received with no further action needed. The meeting adjourned at 11:08 am.
