5. Reports

- Lori Strider shared staffing updates, Lori Strider – EMS Coordinator, Grace Pelley – Trauma Coordinator, Dr. Wyatt Hockmeyer – EMS & Trauma Manager, and Michaelde’Angelo Tascier – Medical Facilities Director. EMS initial vehicle inspections are scheduled online, and agency inspections are being conducted yearly. Trauma Fund, Trauma Registry, OKEMSIS, and EMResource questions should be submitted to Esystems@health.ok.gov and put your questions in the body.
- Dr. James Campbell shared with the committee that they reviewed 10 cases, closed 2 of them, 7 letters were sent, 2 of those 7 were for good job.
- Mark Forrest shared with the committee that they did meet today at 10:00 a.m. Everyone is free to attend the meetings. The work for the Region is done at these meetings. We closed out some items we were working on this year. Tricia Fleming gave an update on the feedback from the trauma centers. She has spoken with Maryavis with Saint Francis. She has the contacts for this Region. She will start funneling the feedback to the EMS agencies. If you would like the contact for St. John Hospital, get with Tricia she has the name and number at her office. Dr. Campbell asked the committee for topics for the RPC to work on. If they think of any, please get with Mark or himself.
- Sam Murray shared with the committee they had 1 activation here in Muskogee. The wind took out the power to Saint Francis Muskogee, Cornerstone Hospital, the VA hospital in Muskogee, and a few nursing homes; they were on generator power. They were available for support for those agencies just in case they needed help. There has been an uptake in illegal fertilizer in the area. They are working on their next year training, if they have any ideas or topics to cover, please send them to Sam. The surgical extraction team has a new phone number – 1-580-301-7001. There is a SET exercise scheduled for October 4th, 2024, in Fort Washita.

6. No stroke update.

7. Sarah Connally thanked the committee for filling out the survey they had been doing for the last 2 months. Oklahoma is up to 51% now.
