ALZHEIMER'S DISEASE OR RELATED DISORDERS SPECIAL CARE DISCLOSURE FORM

All questions relate to the specialized Alzheimer's disease or related disorders care the individual facility provides. The use of the word "resident" refers to residents with Alzheimer's disease or related disorders.

Facility Instructions

1. Complete this Disclosure Form according to the care and services your facility provides. You may **not** amend the form, but you may attach an addendum to expand on your answers.
2. Provide copies of the Disclosure Form to anyone who requests information on the care for Alzheimer's or related disorders in your facility.
3. If the facility is a Continuum of Care Center (CCRC), indicate the service at Facility type. For instance, if the Alzheimer's beds are in the Assisted Living Center (ALC) portion/service of a CCRC, list as ALC, not CCRC, so that service can be identified with the bed type. If a CCRC has Alzheimer beds, in the ALC, and the nursing facility (NF), a disclosure form is to be submitted for each facility type.
4. The form is to be submitted with the application, for renewal, change of ownership, and bed additions that affect the total number of licensed beds in the facility. For these submittals the form is to be mailed with the application to PO Box 268823, Oklahoma City, OK 73126-8823.
