## ALZHEIMER'S DISEASE OR RELATED DISORDERS SPECIAL CARE DISCLOSURE FORM

**Authority:** Alzheimer's Disease Special Care Disclosure Act (63 O.S. Section 1-879.2a) and Alzheimer's Disease Special Care Disclosure Rules (OAC 310:673). All questions relate to the specialized Alzheimer's disease or related disorders care the individual facility provides. The use of the word "resident" refers to residents with Alzheimer's disease or related disorders.

### Facility Instructions

1. Complete this Disclosure Form according to the care and services your facility provides. You may **not** amend the form, but you may attach an addendum to expand on your answers.
2. Provide copies of the Disclosure Form to anyone who requests information on the care for Alzheimer's or related disorders in your facility.
3. If the facility is a Continuum of Care Center (CCRC), indicate the service at Facility type. For instance, if the Alzheimer's beds are in the Assisted Living Center (ALC) portion/service of a CCRC, list as ALC, not CCRC, so that service can be identified with the bed type. If a CCRC has Alzheimer beds, in the ALC, and the nursing facility (NF), a disclosure form is to be submitted for each facility type.
4. The form is to be submitted if you make any changes from prior disclosures in services, at license renewal, and with bed additions that affect the total number of licensed beds in the facility. The form is to be mailed to PO Box 268823, Oklahoma City, OK 73126-8823.

### What types of providers must furnish a Disclosure Form?

State rules require the Disclosure Form be provided by any nursing or specialized nursing facility, residential care home, assisted living center, continuum of care facility, or adult day care center that advertises, markets or otherwise promotes they provide care or treatment to residents with Alzheimer's disease or related disorders in a special unit or under a special program.

### What is the purpose of the Disclosure Form?

This Disclosure Form gives families and other interested persons the facility description of the services it provides and how these services target the special needs of residents with Alzheimer's disease or related disorders. Although the information categories are standardized, the information reported is facility-specific. This format gives families and other interested persons consistent categories of information, so they can compare facilities and services. The

Disclosure Form is *not* intended to take the place of visiting the facility, talking with other residents' family members, or meeting one-on-one with facility staff. This form contains additional information, which families can use to make more informed decisions about care.
