5.0 Administrative/General

5.1 Office Update - Verbal reports requiring no Board action

- (a) President's Report (verbal report only, no discussion)

President Leemaster did not provide a report.

- (b) Executive Director's Report with possible discussion on the following:

- (i) Full-time Equivalent (FTE) Status
- (ii) Calendar Year 2025 Board Meeting Dates and Location
- (iii) Other (verbal report only, no discussion)

Executive Director Barnhouse reported the agency's FTE Status (number of full-time equivalent employees) as 27. There remains a position vacancy posting for Nurse Investigator as the prior applicant being considered declined the position due to salary. The agency is working with its shared services partner OMES.

Director Barnhouse reported on the calendar year 2025 meeting dates with the location being the MC Connors Building at the State Capitol Complex. Due to Fire Marshall limitations on capacity and room size, the agency will be unable to host student observer groups of discipline hearings as it has done in years past. Attempts to procure another site both on and off state property, including attempts to procure additional leased space adjoining the OBN office suite, have been unsuccessful. Discussion with OMES Capital Assets Management-Real Estate and Leasing Services, reveals that possible future development of larger meeting space in the basement is their preference. The agency is hopeful that an opportunity to resume hosting student observers can occur in the future.

Dr. Barnhouse provided a verbal report only with no discussion on the following:
The Attorney General's office continues to work on hiring a full-time person to represent OBN in the capacity of Prosecuting Attorney.

Updated Oklahoma Nursing Practice Act books are at Board Member seats, to provide a reference to revisions effective November 1, 2024. Electronic versions were previously distributed.

The annual evaluation of the Executive Director will be on the coming January 2025 Board Meeting agenda as a proposed Executive Session.

Dr. Barnhouse reported that she was elected to the National Council of State Boards of Nursing Board of Directors and appointed as the President-elect of Area III.
