Pursuant to O.A.C. 485:10-1-3 (b) (2): **REFUNDS WILL NOT BE PROCESSED
FOR SUBMISSION OF AN INCORRECT APPLICATION**

Effective **January 19, 2018**, an applicant for licensure as a Registered Nurse or Licensed Practical Nurse who meets certain requirements is eligible to apply for multistate licensure. Once the Board grants the multistate license, the nurse can then engage in nursing practice in any of the Nurse Licensure Compact states without having to obtain additional licenses. A list of states participating in the Nurse Licensure Compact is available at: <https://nursecompact.com/>

Do not submit this application unless you declare Oklahoma as your primary state of residence; otherwise, Board staff will not proceed with review of your application.

Not all applicants will be eligible for a multistate license. In order to be eligible, the applicant must submit an application, pay a fee, submit fingerprints for a federal criminal background check, and meet the requirements listed in the following section.

Your application for a multistate license will be reviewed to determine if you meet the criteria for issuance of a multistate license. If you **do not meet** the criteria for a multistate license but you **do meet** the criteria for a single-state license, this application can be converted to an application for a single-state Oklahoma license, if you check the "YES" box in the application. Please note that if you do not meet the criteria for a multistate license and you check the "NO" box, indicating you do not want your application converted to a single-state Oklahoma license, **your application fee will not be refunded.**

Requirements for Multistate Licensure in Oklahoma

Age: The applicant for licensure must be a minimum of eighteen (18) years of age.

Verification of citizenship status: State law requires the Board of Nursing to issue a license only to U.S. citizens, nationals and legal permanent resident aliens; and to qualified alien applicants who present, ***in person***, valid documentary evidence of:

1. A valid, unexpired immigrant or nonimmigrant visa status for admission into the U.S.;
2. A pending or approved application for asylum in the U.S.;
3. Admission into the U.S. in refugee status;
4. A pending or approved application for temporary protected status in the U.S.;
5. Approved deferred action status; or
6. A pending application for adjustment of status to legal permanent residence status or conditional resident status.

Applicants in the above six categories will only be eligible to receive a license that is valid for the time period of their authorized stay in the U.S., or if there is no date of end to the time period of their authorized stay, for one year. The license is required to indicate that it is temporary. The information will be verified through the Systematic Alien Verification for Entitlements (SAVE) Program, operated by the U.S. Department of Homeland Security.

Graduation from a state Board-approved program of registered or practical nursing: You must be a graduate of a **state Board-approved program** of registered or practical nursing. An official transcript from the nursing education program must be submitted directly from the nursing education program. The transcript must show the diploma or degree and the date conferred. The transcript must be obtained from an entity approved and recognized by the U.S. Department of Education as a primary source for providing education transcripts. The nursing education program you attended **must have included theory and clinical experience in the following areas:**

- Care of the adult
- Care of children
- Maternal-newborn nursing
- Psychiatric-mental health nursing

Completion of the licensure examination: Once all other requirements for licensure have been met, you will be made eligible to take the NCLEX-RN or NCLEX-PN licensure examination. In order to be made eligible, you must have registered with the testing service <https://www.nclex.com/>.

Review of criminal charges, disciplinary action, judicial declaration of incompetence, or alternative program: State law (59 O.S. § 567.18.B.) requires each applicant for licensure to have a fingerprint-based background check completed not more than ninety (90) days old at the time of submission of the application for licensure. The background check consists of fingerprint-based searches of the Oklahoma State Bureau of Investigation (OSBI) and Federal Bureau of Investigation (FBI) Criminal History Record Information databases and name index searches of computerized databases containing criminal history records. Please read the *Privacy Act Statement and Applicant Notification* found in the Appendix to this set of instructions. The Oklahoma Board of Nursing is not authorized to receive criminal history record information prior to receiving an application; therefore, you will receive information on obtaining a fingerprint-based background check in the Message Center of your Nurse Portal account after your application has been successfully submitted.

In addition to the background check, applicants for licensure are required to notify the Oklahoma Board of Nursing, in writing, specific information related to criminal charges and/or convictions, investigations, disciplinary actions, and/or judicial declaration of mental competence. A “report in writing” means that the applicant/licensee provided a description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report should be in the form of a statement in the provided space on the application. Certified court records or a board order, as applicable, must be uploaded during the application process. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the *Oklahoma Nursing Practice Act*.

Criminal offenses of applicants may be used as a basis for denial of licensure or certification. Detailed information regarding which offenses the Board shall consider may be found in the Oklahoma Board of Nursing Rules (OAC 485:10-11-4) which are available on the Board’s website at this link: <https://oklahoma.gov/nursing/criminal-history.html>. You have the right to request a determination of eligibility for licensure or certification prior to applying for licensure. To do so, submit the *Petition for Determination of Eligibility for Licensure or Certification* form.

An applicant for a license to practice as a Registered Nurse or Licensed Practical Nurse must submit to the Oklahoma Board of Nursing “certified written evidence that the applicant has never been convicted of a felony crime that substantially relates to the occupation of nursing and poses a reasonable threat to public safety” [59 O.S. § § 567.5, 567.6].

NOTE: An applicant for licensure in Oklahoma who has been convicted or found guilty, or entered into an agreed disposition, of a felony offense is not eligible for a multistate license.

Requirements specific to multistate licensure: In order to be eligible for a multistate license, the applicant must meet the following requirements:

1. Meets Oklahoma's qualifications for licensure or renewal of licensure, as well as all other applicable state laws;
2. Has graduated or is eligible to graduate from a licensing-board-approved RN or LPN/VN prelicensure education program;
3. Has, if a graduate of a foreign prelicensure education program, not taught in English or if English is not the individual's native language, successfully passed an English proficiency examination that includes the components of reading, speaking, writing and listening;
4. Has submitted, in connection with an application for initial licensure, fingerprints or other biometric data for the purpose of obtaining criminal history record information from the Federal Bureau of Investigation and the Oklahoma State Bureau of Investigation;
5. Has not been convicted or found guilty, or entered into an agreed disposition, of a felony offense under applicable state or federal criminal law;
6. Has not been convicted or found guilty, or entered into an agreed disposition, of a misdemeanor offense related to the practice of nursing as determined on a case-by-case basis;
7. Is not currently enrolled in an alternative program;
8. Is subject to self-disclosure requirements regarding current participation in an alternative program;
9. Has a valid United States Social Security number; and
10. Declares Oklahoma as the primary state of residence.

(59 O.S. 567.21, Article III. c.)

In the event that you submit an incorrect application and fingerprints are collected and submitted following the submission of the incorrect application, note that the criminal history records search must be conducted through the Board’s vendor, IDEMIA no more than (90) days prior to receipt of the application in the Board office. The results of the search are provided directly to the Board office by the OSBI usually within one to two weeks. Please read the *Privacy Act Statement and Applicant Notification* found in the Appendix to this set of instructions. Transcript

An official transcript should be submitted from your school after you have graduated. Many of the nursing education programs automatically send graduate transcripts to the Oklahoma Board of Nursing as a courtesy to their graduates; however, you will need to check with the director of your program on the school’s policy. Please ensure that the transcript includes the conferral date and the degree earned.

Graduates from out-of-state programs should request that the school send an official copy of the transcript to the Oklahoma Board of Nursing. The Board must evaluate the curriculum provided in the out-of-state program to ensure that it meets the state's curricular requirements. Out-of-state candidates must also submit **course descriptions** for nursing and related courses for evaluation.

The course descriptions must be from the time you were enrolled in the program and may be obtained from the school's catalog or course syllabi. If the course descriptions from your school do not verify the required curriculum, additional documentation from your program will be required.
