

Opioid abatement data sources

Guidance on acquiring data for grant applications

Item in application	Challenge(s)	Recommended proxy	Source and instructions
Number of people per capita suffering from opioid use disorder in the political subdivision	<ul style="list-style-type: none"> Not available at municipal or school district levels Only substate estimates exist for some large counties Opioid use disorder (OUD) substate estimates are outdated Smaller counties require specialized analysis 	Percent estimate of people with opioid use disorder in the county	National Survey on Drug Use and Health <ul style="list-style-type: none"> Use Table 29 Multiply the percentage of OUD for the state (for the age group of interest) by the county population
Opioid prescription rate in the political subdivision	<ul style="list-style-type: none"> Not readily available at municipal or school district levels — requires specialized data request 	Average daily morphine milligram equivalent (MME) prescribed in the political subdivision in the last full available year in the county	Oklahoma Bureau of Narcotics <ul style="list-style-type: none"> Select county Select 2024
Number of opioid overdose deaths in the last twelve months	<ul style="list-style-type: none"> Not readily available at municipal or school districts levels — requires specialized data request Smaller geographic areas may suppress data Last twelve months not readily available 	<p>Rate of unintentional opioid overdose death in the last reported full year in the county</p> <p>Number of unintentional opioid overdose deaths in the last reported full year in the county</p>	Oklahoma State Dept. of Health <ul style="list-style-type: none"> Select substance = All opioids Select county Select 2023
Number of opioid overdose deaths in the last three years	<ul style="list-style-type: none"> Not readily available at municipal or school districts levels — requires specialized data request Smaller geographic areas may suppress data Last twelve months not readily available 	Rate of unintentional opioid overdose death in the last 3 reported full years in the county	Oklahoma State Dept. of Health <ul style="list-style-type: none"> Select substance = All opioids Select county Select 2021, 2022, 2023
Amount of opioids distributed within the political subdivision in the last twelve months	<ul style="list-style-type: none"> Not readily available at municipal or school district levels — requires specialized data request 	Average daily MME prescribed in the political subdivision in the last full year in the county	Oklahoma Bureau of Narcotics <ul style="list-style-type: none"> Select county Select 2024
Amount of opioids distributed within the political subdivision in the last three years	<ul style="list-style-type: none"> Not readily available at municipal or school district levels — requires specialized data request 	Average daily MME prescribed in the county in the last 3 full available years	Oklahoma Bureau of Narcotics <ul style="list-style-type: none"> Select county Select 2022, 2023, 2024
