

Liberty Utilities

The Empire District Electric Company

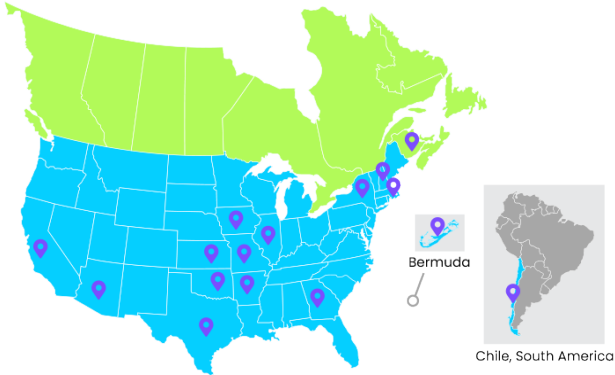

Get to know us

Who we are

A subsidiary of Algonquin Power & Utilities Corp., Liberty is committed to providing safe and reliable natural gas, water, and electricity distribution and generation services to over one million customer connections. Liberty's utility operations are primarily located in the United States and Canada, and have expanded to Chile and Bermuda. With a customer-centric approach to management, Liberty provides a superior customer experience through local management of walk-in centers, conservation and energy efficiency initiatives, and programs for businesses and residential customers. We measure our performance in terms of service reliability, customer satisfaction, and an unwavering dedication to public and workplace safety. Liberty's North American distribution operations include Arizona, Arkansas, California, Georgia, Illinois, Iowa, Kansas, Massachusetts, Missouri, New Hampshire, New York, Oklahoma and Texas in the United States, and New Brunswick, Canada.
