Re: Order # 30997

Note old form sheet has 40997. I am wondering if possibly it was transposed to 30997 in retyping the report. Can we determine which number is correct?

BEFORE THE CORPORATION COMMISSION OF OKLAHOMA.

ORDER NO. [illegible].

In re Application of the Stratford Telephone Company, Stratford, Oklahoma, for authority to increase the rates for telephone rental service.

CAUSE NO. 3944.

O R D E R.

BY THE COMMISSION.

The petitioner, the Stratford Telephone Company, of Stratford, Oklahoma, operating a telephone exchange in the town of Stratford and in the territory adjacent thereto, filed its application with the Commission for authority to increase its rates for rental service. This cause came on to be heard on the 6th day of July 1927. The petitioner being represented by its attorney, A.C. Smith, and the respondents, the patrons of the said exchange, entered their appearance.

The Commission has made an investigation of the company's financial operation and physical condition of plant, as shown by reports of the company on file with the Commission, and reviewed the testimony offered at the hearing by representatives of the company.

The Commission finds that under the present schedule of rates the company, during the past year, has not received a return that will reasonable rates as to enable it to keep its plant in a condition to render proper service, that an increase in its rental rates is necessary, to produce revenue in an amount sufficient to pay operating expenses, taxes, and make allowance for depreciation and a proper rate of return on investment in property devoted to the public service in the said town.

The Commission also finds that the rates for which the petitioner asks authority to install, are not unreasonable, and that the order is as hereinafter set out is necessary to produce the proper revenue.

It is therefore ordered that on and after October 1, 1927, the petitioner, the Stratford Telephone Company be and is hereby authorized to make the following charges for rental service in the town and vicinity of Stratford, Oklahoma.

For Business Stations, one party.... $24.00 per annum.
For Residence Stations, one Party.... $18.00 " "
For Rural Stations owned ..... $12.00 " "

And that the said rates shall remain in full force and effect until further order of this Commission.

Done at Oklahoma City, Oklahoma, this the 6th day of September, 1927.
