RE: Operators of secondary recovery waterflood projects and/or pressure maintenance units.

RE: 1) Form 1012 for the last six months of 1981 (July-Dec).
2) Inventory Report by Well (one-time report).

Dear Operator:

Enclosed are forms to comply with Oklahoma Corporation Commission rules on reports for secondary recovery units. Form 1012 is required to be filed for the second six months of 1981 (July through December) and is due at the present time.

Form 1071, Inventory of Authorized Existing Enhanced Recovery Wells, is required to be filed listing wells on an individual basis, by March 16, 1982. This is a one-time form, as needed to improve our reporting system.

Please feel free to duplicate these forms as needed, and if you have questions or need additional information, please call the Underground Injection Control Section at (405) 521-2302. Please return your completed forms to:
