That the operator herein referred to as Principal and that Bond Company authorized to do business within the State of Oklahoma are held and firmly bound unto said State in the penal sum up to an amount not exceeding \*\$\_\_\_\_\_, lawful money of the United States, for which payment will and truly be made, we bind ourselves, and each of us, and each of our heirs, executors, administrators or successors, and assigns jointly and severally, firmly of these presents.

The condition of this obligation is that the above bounden Principal proposes to land apply fluids, soils and/or drill cuttings within the State of Oklahoma pursuant to Commission rules.

If the above bounden Principal shall cease land applying fluids, solids and/or drill cuttings within the State of Oklahoma at the time and in the manner prescribed by the laws of the State of Oklahoma and the rules and orders of the Corporation Commission of the State of Oklahoma, then this obligation shall be null and void after the OCC consents in writing to the termination; otherwise, the same shall be and remain in full force and effect.

This obligation may be terminated upon a minimum of thirty (30) days' notice in writing to the Oil and Gas Conservation Division and evidence furnished of acceptable alternate surety if required (OAC 165:10-7-10) or as the rule or statute may be amended. Such termination is not effective until this obligation is released in writing by the Surety Department of the Oil and Gas Conservation Division, and subsequent to a determination by Oil and Gas Conservation Division personnel, after inspection or review, that the release of surety is appropriate.

It is a condition of this instrument that it is continuous in nature until released by the Commission; in no event will this instrument expire, cancel, modify, or terminate without prior written consent of the Commission.

Provided, however, the aggregate liability of the surety hereunder shall in no event exceed the sum of this bond.
