2101 N Lincoln Blvd #129
Oklahoma City, OK 73105

Re: Application of Oklahoma Gas and Electric Company for a Financing Order Pursuant to the February 2021 Regulated Utility Consumer Protection Act Approving Securitization of Costs arising from the Extreme Winter Weather Event of February 2021, and Related Relief, Cause No. PUD 202100072 (Financing Application)

Dear Mr. Argenbright:

Pursuant to the Final Financing Order adopted on the 16th day of December, 2021 Cause No. PUD 202100072 before the Oklahoma Corporation Commission, Application of Oklahoma Gas and Electric Company for a Financing Order Pursuant to the February 2021 Regulated Utility Consumer Protection Act Approving Securitization of Costs arising from the Extreme Winter Weather Event of February 2021, and Related Relief (the "Financing Order"), Oklahoma Gas and Electric Company (the "Utility"), as Servicer of the Ratepayer-Backed Bonds, or any successor Servicer on behalf of bond trustee as assignee of the ODFA shall apply semi-annually for a mandatory periodic adjustment to the WES Charge. The Utility may apply for more frequent periodic adjustments in accordance with the Financing Order. Any capitalized terms not defined herein shall have the meanings ascribed thereto in the Financing Order or the February 2021 Regulated Utility Consumer Protection Act, 74 Okla. Stat. §§ 9071-9081 (the "Act").

Each true-up adjustment shall be submitted to the PUD not less than 30 days prior to the first billing cycle of the month in which the revised WES Charges will be in effect. The PUD will have 30 days after the date of the true-up adjustment filing in which to confirm the mathematical accuracy of the servicer's adjustment. However, any mathematical correction not made prior to the effective date of the WES Charge will be made in future true-up adjustment filings and will not delay the effectiveness of the WES Charge.

Using the formula approved by the Commission in the Financing Order, this filing modifies the variables used in the WES Charge calculation and provides the resulting modified WES Charge. Attachments 1, 2 and 3 show the resulting values of the WES Charge for each Customer class, as calculated in accordance with the Financing Order. The assumptions underlying the current WES Charge were filed by the Utility and the ODFA in a True-up Letter dated August 29, 2025.

Respectfully Submitted,

By:  _____
