Re: Application of CenterPoint Energy Resources Corp. D/B/A/ CenterPoint Energy Oklahoma Gas for a Financing Order Approving Securitization of Costs Arising from the February 2021 Winter Weather Event pursuant to the February 2021 Regulated Utility Consumer Protection Act, Cause No. PUD 202100087

Dear Chairman David:

Pursuant to the Financing Order adopted on the 10th day of February, 2022 in *Application of CenterPoint Energy Resources Corp. D/B/A/ CenterPoint Energy Oklahoma Gas for a Financing Order Approving Securitization of Costs Arising from the February 2021 Winter Weather Event pursuant to the February 2021 Regulated Utility Consumer Protection Act*, Cause No. PUD 202100087 (the "Financing Order"), CenterPoint Energy Resources Corp., d/b/a CenterPoint Energy Oklahoma Gas (the "Utility"), as Servicer of the Ratepayer-Backed Bonds, or any successor Servicer on behalf of bond trustee as assignee of the ODFA shall apply [semi-annually] for a mandatory periodic adjustment to the WESCRM Charge. The Utility may apply for more frequent periodic adjustments in accordance with the Financing Order. Any capitalized terms not defined herein shall have the meanings ascribed thereto in the Financing Order or the February 2021 Regulated Utility Consumer Protection Act, 74 OKLA. STAT. §§ 9071-9081 (the "Act").

Each true-up adjustment shall be filed with the Commission not later than March 31 or September 30, as applicable, with the WESCRM Charge to be effective the first billing cycle of May or November, as applicable. The Commission staff will have 30 days after the date of the true-up adjustment filing in which to confirm the mathematical accuracy of the servicer's adjustment. However, any mathematical correction not made prior to the effective date of the WESCRM Charge will be made in future true-up adjustment filings and will not delay the effectiveness of the WESCRM Charge.

Using the formula approved by the Commission in the Financing Order, this filing modifies the variables used in the WESCRM Charge calculation and provides the resulting modified WESCRM Charge. Attachments 1, 2 and 3 show the resulting values of the WESCRM Charge for each Customer class, as calculated in accordance with the Financing Order. The assumptions underlying the current WESCRM Charge were filed by the Utility in its Amended True-Up Letter dated April 14, 2025.

Respectfully submitted,

Summit Utilities Oklahoma
