Dear Ms. Wreath:

Pursuant to 17 Okla. Stat. § 160.21(A) and 165 OAC 35-45-4 (a), Horizon Hill Wind, LLC (the "Company") hereby informs the Commission of its intent to construct the Horizon Hill Wind Project ("Project") in Logan County, Oklahoma. Initial work intended to occur in 2016 will consist only of excavating a limited number of turbine foundations and building approximately one and one half miles of access roads. No turbine equipment will be installed at this time.

FAA 7460-1 Notice of Proposed Construction or Alteration forms were filed by the Company on August 11, 2016. A summary of the filing is included as Exhibit A. Enclosed as Exhibit B is a diagram depicting the Project boundary.

As of the date of this Notice, and based on the best publicly available data, the Company attests (in compliance with 17 Okla. Stat. § 160.20(B)) that the Project design is in full compliance with the setback requirements of 17 Okla. Stat. § 160.20(A).

In accordance with the requirements of 17 Okla. Stat. § 160.21(A) and 165 OAC 35-45-4(d) this Notice is also being provided to the Logan County Board of County Commissioners. A copy of the letter transmitting the Notice to the County Commissioners is included as Exhibit C. No Project facilities are located within an incorporated area of a municipality and thus no additional notice is required under 17 Okla. Stat. § 160.21(A) or 165 OAC 35-45-4(d).
