NOTICE OF INTENT TO CONSTRUCT

NextEra Energy Resources, LLC, (the "Company") informed the Commission of its intent to construct the Silver Maple wind energy project (the "Project") located in Caddo County, Oklahoma, pursuant to the requirements of Section 2 of Oklahoma Senate Bill 808, codified as Section 160.21 of Oklahoma Statutes Title 17, (collectively referred herein as "OK Siting Laws") on May 4, 2016.

Exhibit B to the notice presented a diagram showing the real estate analyzed and included in statutory setback compliance. Exhibit B also included the accurate "Project Description," as is required and defined by Commission Rules OAC165:35-45-2 to mean "...a graphic depiction of a wind energy facility's outer boundary, which should adequately demonstrate the project's outer perimeter..." In reviewing the Exhibit we have noted the existence of a scrivener's error in that some of the Section, Township and/or Range numbers in the map may be missing a digit. Therefore, we are writing to submit for your records an Exhibit B for this project with the corrected numbers included within the map. As is required by the Commission Rules, the original Project Description remains unchanged. Please see attached the corrected map.

Thank you for your time and consideration. Please do not hesitate to contact us at 561-304-6161 with any questions regarding this filing.

Sincerely,

Krista Hendricks
Project Director, Development
