Dear Mr. Tyson,

The Military Aviation and Installation Assurance Siting Clearinghouse (Clearinghouse) has reviewed the Chilocco wind farm project in New Kirk, Oklahoma. The Clearinghouse found no adverse impacts to Department of Defense (DoD) missions in the area and has entered a determination of "No Objection" via the Federal Aviation Administration's Obstruction Evaluation/Airport Airspace Analysis system.

We encourage you to consult DoD well in advance of any expansion. If you have any questions, please contact Mr. Michael Lignowski at the Clearinghouse by calling (571) 372-6853 or emailing michael.j.lignowski.ctr@mail.mil.

Sincerely,
