Dear Mr. Evans,

The Military Aviation and Installation Assurance Siting Clearinghouse (Clearinghouse) has reviewed the Ponderosa II wind farm project in Balko, Oklahoma. The Clearinghouse found no adverse impacts to DoD missions in the area and has entered a determination of "No Objection" via the Federal Aviation Administration's Obstruction Evaluation / Airport Airspace Analysis system.

We encourage you to consult DoD well in advance of any expansion. If you have any concerns, please contact Mr. Scott Kiernan at the Military Aviation and Installation Assurance Siting Clearinghouse at [scott.e.kiernan.civ@mail.mil](mailto:scott.e.kiernan.civ@mail.mil) or at (571) 255-9507.

Sincerely,

A handwritten signature in blue ink that reads "Steven J. Sample".
