Dear Mr. Tyson,

The Military Aviation and Installation Assurance Siting Clearinghouse (Clearinghouse) has reviewed the Chilocco wind farm project in New Kirk, Oklahoma. The Clearinghouse found no adverse impacts to DoD missions in the area and has entered a determination of "No Objection" via the Federal Aviation Administration's Obstruction Evaluation / Airport Airspace Analysis system.

We encourage you to consult DoD well in advance of any expansion. If you have any questions, I can be reached by email at steven.j.sample4.civ@mail.mil.

Sincerely,

A handwritten signature in blue ink, reading "Steven J. Sample", is positioned below the word "Sincerely,".
