Chairman Cooper,  
In accordance with the recently signed HB2118, 17 O.S. § 160.21 requires the Oklahoma Aeronautics Commission (OAC) to notify the Oklahoma Strategic Military Planning Commission of any FAA 7460-1 form that is received pursuant to this law. The attached information details the 7460-1s that were received regarding adding 3 MET towers to an existing project in Northwest Oklahoma, approximately 15 miles southwest of Beaver, OK. Should you have any questions or need further assistance please reach out to either myself or Grayson Ardies (cc'd on this email).
