

MISSING IN OKLAHOMA DAY

SAVE THE DATE!

Saturday, April 26th, 2025, 10:00 a.m. – 3:00 p.m.

Family and friends of any missing persons are invited and encouraged to attend this year's Missing in Oklahoma Day. This event is held at the

University of Central Oklahoma

Forensic Science Institute

located at

801 E. 2nd Street, Edmond, Oklahoma

At NO cost, families will be able to:

- Initiate a missing person report to law enforcement
- Provide additional investigative leads
- Enter and/or review the missing person information in NamUs
- Submit family reference DNA
- Bring photographs to display of their loved one(s)
- Provide dental and medical records
- Relate any and all pertinent information about the missing

Law enforcement investigators may attend and are welcome to escort families who may be interested. Speakers who have gone through this process will be on hand to talk personally to those with questions. There will be resources and information for everyone in attendance.

Food and beverages will be provided
both for morning and lunch!
