Bridge Investment Program US-69 Bridge Replacement in Durant

BIP Award: \$23,200,000
State Funds: \$23,200,000
Project Total: \$46,400,000

- **US-69 Bridge Project creates new resilient infrastructure that will pass over Arkansas Street, Kiamichi Railroad, and Main Street in Durant.**
- **This project will reconstruct bridges on the existing alignment to replace one structurally deficient bridge and 3 bridges that will soon become structurally deficient.**
- **Innovative construction techniques will be used to minimize the effect on traffic flow.**
