Questions added that were inadvertently missed

Q 3: Can OKDOT provide the pricing sheet in Excel format?

A 3: Please see the attached Excel pricing sheet (includes two tabs).

Q 4: Would OKDOT consider waiving the B.17. Testing for Conformance sample requirement for incumbent manufacturer contract holders that sell the same material on contract, annually certify to Oklahoma's Qualified Product List (QPL), and remain compliant with Oklahoma's specifications?

A 4: ODOT will not waive the requirement as the requirement references "Items may be tested". An incumbent vendor would not need to be tested.

Q 5: Similarly, would OKDOT waive the C.4. Obligations and Requirements for incumbent manufacturer contract holders that sell the same material on contract and have previously submitted the Traffic New Product Evaluation (TNPE, current version dated 07/31/2017) form for each item in the proposal, which remains unchanged?

A 5: Yes, incumbent vendors do not need to resubmit their products for the QPL.
